9/23 - 2nd Infantry Division 100th reunion being held in Colorado Springs at the Embassy Suites Hotel located on the NW side of town at 7290 Commerce Center Drive. This is huge deal for them and they have asked for our help to make it memorable. We need max participation for this one. They have multiple activities at the Embassy Suites Hotel and that's where we will set up. They have asked us to provide our vehicles from all eras of military use from WW1 to current if possible as that's how long the division has been around. They would like to see uniforms, gear and such from all of these eras that our members might have available to display and also wear period uniforms if you have them. We are reaching out to some of our members who have connections with the re-enactment groups in the area to support this significant event also. Early stages of planning so much more to follow. We are planning on using the hotel parking lot to unload and set up around 0800-0900 and go until sometime mid afternoon. Start planning for this now. Again, we need max attendance for this.
